

Let's make lead history

**\$8,000
per unit
in grants
available**

The City of Lynn has received a \$2 million grant, which will be administered by LHAND, from the Department of Housing & Urban Development to be used for lead paint abatement in Lynn. The goal is to de-lead 100 units over the next three years.

Make your property safe for your children and your tenants' children.

IF YOU OWN A HOME WITH LEAD PAINT WE CAN HELP.

LHAND is offering up to \$8,000 per unit for lead paint abatement.

How we can help:

- ◆ Lead paint inspections
- ◆ Relocation when necessary
- ◆ Deleading of units, common areas and exterior of properties
- ◆ Compliance letters
- ◆ Contractor training education
