

Notice of change of operations in the LYNN HOUSING AUTHORITY AND NEIGHBORHOOD DEVELOPMENT

To try to contain the spread of the COVID-19 virus, the Lynn Housing Authority and Neighborhood Development has suspended all visits without an appointment. Only those who have a fixed date with an individual will be seen in the foreseeable future.

OFFICE CLOSURE: The Rental Assistance, Admissions office and the Family Success Center will be closed to the public. Our employees will continue to work their regular work hours.

Forms and stationery: All forms and stationery will be processed by mail, email and fax. Forms and stationery can also be left in the Rental Assistance office mailbox if needed, located at 174 South Common Street.

MOST INSPECTIONS ARE CANCELED: We are canceling all annual and scheduled inspections. We will only inspect new vacant units and conduct tenant complaint (emergency) inspections (with a phone call to determine if a participant is currently asymptomatic). Canceled inspections must be rescheduled.

Thank you for your patience as we all deal with this public health emergency together. We promise to do our best to answer your questions as quickly as possible by phone and email. We will return to our normal business practices as soon as possible.
