The Lynn Continuum of Care will be hosting a Public Hearing at the above date and time. Lynn CoC is the local Continuum of Care committee that administers the city's Supportive Housing McKinney-Vento funds. These funds are used to provide housing and services for the homeless population. The purpose of this hearing is to provide local agencies and citizens an opportunity to voice their opinions as to what the needs of the homeless in Lynn are as well as to how the McKinney funds should be utilized. In addition, the City will provide information on the proposed FY' 2020 ESG Program funding allocations.

The Lynn CoC and City of Lynn continue to build on the existing Continuum of Care strategy to respond to homelessness and special needs populations while maintaining compliance with HUD's guidelines and priorities.

This meeting is open to the public and all are encouraged to attend.

Anyone interested in speaking at the Public Hearing should attend – you will be asked to sign-in first to register to speak. Please note that in the interest of time and fairness to other speakers, each individual will be given five minutes to give his/her presentation.

Please contact Olivia Lyons at (781) 581-8707 if you have any further questions.
